P.I.U./T. 53/55-P. Project Executive Officer's Camp, Vanimelam, Dated 20--5--1955.

To

Thiru. T. Venkatesan,
Project Executive Officer,
South Kanara, Mangalore.

The Director of Community Development, Madras.

Sir,

COMMUNITY PROJECT--South Kanara--Block T--Road from Vinnigoli to Degamkatte--and construction of culverts--Sanction--requested--Regarding.

Ref: G.O.Ms.No. 2145 P.W. Dept. Dt. 9-11-1954.

1/ The proposal is to construct 3 Nos. (2 of 21' span and 1 of 21') slab culverts on the road from Vinnigoli to Degamkatte in Block T at an estimated cost of Rs.1790/-. This work corresponds to item No.3(c) in the list under 'the roads in the category of communications' in the Revised Overall programme approved by the Government.

2/ The proposed 3 culverts are on an existing road maintained by the Panchayat Board known as Vinnigoli-Degamkatta road. The Panchayat Board, Vinnigoli has declined to contribute only 1/3 of the estimated cost as it has no funds to contribute more. The Presidant, Panchayat Board is however, willing to undertake the work with 1/3 contribution on the whole with the help of the village as against 50% prescribed by the Government in G.O. cited (1) above. The balance viz. 2/3rdsx of the estimated cost of the work is Rs. 1193/-.

3/ This road joins Vinnigoli Mundkur District Board road and is an important approach to it, there is always heavy traffic and the proposed culverts are absolutely necessary.

4/ As a special case, I may be permitted to sanction only 33-1/3% ~~of the~~ contribution and sanction the work for Rs. 1193/-.

The estimate for the culverts ~~xxxxx~~ amounting to Rs.1790/- is enclosed.

Yours faithfully,

Project Executive Officer. 3/6
